Toronto Negroes Urge Changes in Canada's Immigration Act

Amendment of the Immigration Act "so that British subjects from all Commonwealth countries shall be treated equally regardless of their race, creed, or color." was urged upon the Federal Government last Sunday. A resolution to this effect was passed by a meeting of about 100 Toronto Negroes, under the sponsorship of the Negro Citizenship Association.

Certain sections of the Act permit discriminatory treatment of non-white British subjects, it was charged, and these sections have been arbitrarily used to exclude British subjects (particularly those of the West Indies) from Canada. Such provisions are contrary to "Canada's profession of brotherhood with all the members of the Commonwealth" and "hold Canadian democratic ideals to suspicion and ridicule among the non-white people of Asia, Africa, and other democratic people of the world."

Sid Blum, executive secretary of the Joint Labor Committee for Human Rights, said that "unsuitability of climate" was the usual excuse for excluding Negro immigrants from the West Indies to Canada. There was right of appeal for those refused entry permits, "but what good is an appeal if a person is being kicked out of the country? Appeals take time, money, knowledge."

Soviet Policy Changes Seen Not Affecting Russo-Japanese Plans

TOKYO. — Japan's Foreign Minister Mamoru Shigemitsu said recently that the resignation of Soviet Premier Georgi Malenkov "will not greatly influence" plans for normalizing Russo-Japanese relations.

"Since the Soviet Union expressed its hopes for the normalization of relations, I believe I can say that this problem will not be greatly influenced."

Malenkov's resignation came as the Japanese government was preparing to open talks with the Russians to end the technical state of war between the two countries and to pave the way for normal diplomatic relations.

Edmonton Nisei Doctor Receives Fellowship In Obstetrics

EDMONTON. — Dr. Yoshitaro Yoneda has completed four years of post-graduate studies and was recently awarded a Fellowship of the Royal College of Surgeons (FRCS) in the specialty of Obstetrics and Gynecology.

A graduate of the University of Alberta Medical School in 1944, he took his graduate training at the University Hospital in Edmonton, Lyin-in Hospital Cornell Medical Centre, New York; the Free Hospital for Women; Brookline, Mass.; and the Royal Victoria Hospital, Montreal.

Dr. Yoneda is married and has four children between the ages of six years and fifteen months.

Representatives of the Buddhist churches across Canada met for their annual conference on Feb. 4-5 at Lethbridge and Raymond, Alta., and emerged with some major changes in their national organization.

A definite constitution was adopted, with "The Buddhist Churches of Canada" to **be the** official designation of the **organ**ization. National Headquarters will be rotated, probably on an annual basis, with this year's host being the Toronto church. Rev. T. Tsuji will head the national committee for this term, keeping in close contact with Bishop Shigefuji in San Francisco.

Two divisional representatives (one each for English and Japanese languages) will be appointed to the National headquarters from B.C., Alberta, Manitoba, and Eastern Canada.

With constant effort on the strengthening of the Buddhist movement in Canada, the following projects will be initiated:

i) A fund to encourage more Nisei to enter the ministry — to aid in their study in foreign countries. At present there are three Nisei and two Issei Buddhist ministers in Canada.

ii) A fund for the purchase of books and for costs of study in leadership training, in religion and in social life.

iii) Establishment of a Buddhist library in every church.

In addition to attending the conference, Rev. Tsuji of Toronto conducted a seminar of Sunday School teachers on Monday, Feb. 7, and an Alberta YBA League service on Wednesday, which was attended by about 300.

Bishop Shigefuji of San Francisco gave a special lecture each evening of the conference.

To commemorate its 50th anniversary, the Buddhist Churches of Canada will publish a "History of Canadian Buddhism." Memorial services will be held in the various churches for past ministers who headed the Buddhist movement in Canada, and gifts will be given to the living ministers whose work has been foremost in the movement.

The first Buddhist Minister arrived in Canada in 1904, and the first church was dedicated in the following year.

Canada-Kai Welcomes 62 Issei Tourists In Tokyo Today

62 Issei are resting in Tokyo today having arrived at Haneda Airport yesterday after a trans-ocean journey from Vancouver via Canadian Pacific Airlines. Please extend our thanks to all.—Kotobuki-Kai Kankodan."

The Canada-Kai (a society of former JC's and former diplomats to Canada) will hold a welcome banquet for the visitors today, Feb. 15, at Yamanoue Hotel, near Meiji University. Kaizo Tsuyuki, NC's Tokyo correspondent, was appointed by the society to make all arrangements for the welcome.

A **sight-seeing tour** for the pioneer group has been planned as follows: Tomorrow, Feb. 17, and Friday, tour of Tokyo and visit to the Imperial Palace grounds; 19th, trip to Nikko Shrine; 20th, to Yokohama; 21st, to Kamakura, Enoshima, Hakone, Atami; 22nd, via Nagoya to Ise; to Ise shrine; 24-25th to Kyoto; 26th, to Nora and Osaka.

The touring group will disband on Sunday, Feb. 27, with the members going separate ways to their home prefectures, or other destinations of their choosing.

AIKIDO -- Self-Defense Art Superior to Judo and Karate

TOKYO

One day during the early months of the Occupation, a short, middle-aged Japanese in formal kimono was walking on the road along the moat of the old Shizuoka castle. Behind him came a U.S. jeep with three soldiers aboard.

As is the case with many Japanese city streets, the road had no sidewalk. And somehow the soldiers thought the man was purposely blocking their way.

One of them leaped to the street and swung his fist at the pedestrian. At the next instant the quick-tempered GI found himself sailing in the air and into the moat.

His buddies jumped out of the vehicle, likewise belabored their arms and fists, but the only thing they hit was the water below.

As the drenched GI's clambered to the wall the Japanese, who had not laid even a finger on his would-be assailants, quietly walked away.

No One Hurt

The unscheduled ablution for the trio was the result of their picking on the wrong man. On the other hand, if they had to pick on someone at all, they could not have made a better choice.

Because the man happened to be Minoru Hirai, the Superman-like master of the art of self-defense called "aikido", none was hurt. If he had been anyone else, at least one of the four men might have been a casualty.

The brief affair was a superb demonstration of the very quintessence of "aikido" — the art of defending one's self with minimum effort of his own but using the opponent's momentum.

"Aikido", however, can be very deadly if required by circumstances to be so.

From Long Practice

To the uninitiated, the feats of an "aiki" expert are a marvel. But this is possible only as the result of years of practice, as is true with any art at all.

At Mr. Hirai's studio, the novices are first given lessons on seven basic body movements, which, created by Mr. Hirai, are designed to develop the pupils' ability to turn around in one quick motion either 180 or 360

FROM THE FRYING PAN . . . By BILL HOSOKAWA

Being 40, Not So Old

Denver, Colo.

Some months ago a friend, let's just call him Bob Chambers, telephoned to invite us to be his guests at the annual reunion of the local Second (Indian Head) Division Association. So we attended. We were soon caught up in a great demonstration of good cheer, camaraderie and yarn spinning which is standard operating procedure at all veterans' gatherings. Such festivities seem to be intensified in proportion to the length of time that has passed since the men put away their guns. The vast bulk of these ex-soldiers, it must be noted, were War I vets.

Sometime during the evening, completely swept along by the good cheer, Bob happened to remember that one member hadn't actually served with the Second. But he had been decreed eligible by virtue of having spent some time with a Red Cross outfit attached to the Second. That gave Bob an idea.

"Bill," he said, "while you were in Korea as a war correspondent, you were attached to the Second Division, weren't you?"

"Well," I hedged, "yes and no. I wasn't really attached to them. But one hot day when I was too tired to go up to the front I wandered down to the docks of Pusan and watched some elements of the Second come ashore. No shooting, no nothing. They walked down the gangplanks and hiked over to some railroad cars. That's all there was to it. I couldn't even report the event because movement of military units was supposed to be secret."

"Hell," said Bob, "that's good enough. You were with the Second so you're eligible to become a member of our Association. Now if you'll fork over three bucks dues, we'll declare you a buddy and full-fledged Second Division Association man."

So I forked over three bucks and became a veteran, so to speak.

The other day Bob called again to notify me of a Second Division Association meeting. He assured me all the old buddies would miss their new buddy if he didn't show up for his very first meeting, so that didn't leave me much choice but to attend.

All the old buddies were there, all right. There was plenty of camaraderie again, and some fancy reminiscing. They talked about landing in Brest, and the battle of Argonne forest, and Belleau Wood, and the stinkin' red-headed major who got to hoisting too many of them in a French saloon while his troops stood outside in the bitter cold, and the day the Frenchmen came over in Spads to bomb the bridge with bombs they threw over the side out of the cockpits, and what a great bunch the marines were when they fought in the Second. All I knew was what I'd read in the history books.

After the war — the Big War — had been hashed over sufficiently, the old buddies started in on baseball. I perked up a bit, hoping that I could add a little to the conversation. Then to my dismay I found they weren't interested in young sprouts like Willie Mays, Yogi Berra and Johnny Antonelli. They were not even concerned with oldtimers like Jackie Robinson or Bobby Feller, Ruth and Gehrig? Nope, those youngsters were still in the up-start class.

But now, take Eddie Collins and Shoeless Joe Jackson, Cicotte, Chief Bender, Napoleon Lajoie, Ty Cobb and some of that class. Them was real ballplayers before the rabbit ball spoiled the sport. The discussion stretched out long into the night. Eventually I had to take my leave — young fellows have to get their rest, you know.

My old buddies were still chewing away on the rag, talking about the good old days when I left for home. For me, being fat and forty didn't seem like being quite so old after an evening with my buddies. No sir, not old at all.

LET'S KEEP AN EYE ON REST OF WORLD

The Nisei may be straddled with problems peculiarly his own today, but what good can come from its solution if, at the same time, outside forces negate the results. All aspects should be considered — even external pressures that, heretofore, shed less energy when the world appeared much bigger and peoples were more distant from each other. Modern invention has certainly squeezed the world into our own backyard, so to speak.

International politics has outgrown its early concepts of relations between neighboring countries. It envelops the entire family of nations in one swoop. If we seek a "better America for all Americans," it pays to keep an eye on the rest of the world.

A Few Damning Compliments

THERE are certain compliments in the English Language which I feel are better left unsaid. They are those diplomatic remarks which, in their very tactfulness, are damning and accusing, being superb understatements of belittlement or self-righteous tolerance.

How many times have we heard someone speak of another individual as "O George means well." Actually no slur against George's character, no questioning of George's intelligence, yet that phrase says a thousand uncomplimentary things about George. It tactfully points out that George is a blunderer, a guy with two left hands, ten thumbs and no fingers, and a space where a brain should be. George's intentions are always good, but somehow, by some strange mechanism within his mental and physical make-up, George never quite makes the grade. There is a condescending, superior tolerance behind the words "O George means well."

Then there is Mary "whose heart is in the right place." That statement is no compliment at all. To me that remark has always seemed a peculiar one to make about anyone, about as interesting and as enlightening as saying, "A dog's tail is just where it should be — in the rear", or saying "Broccoli is a green vegetable", or saying "Pomegranates have pips". They are all truthful statements of fact but they tell me nothing more than I already know. And if we were to take full cognizance of Mary's "heart being in the right place", what does it really mean? It sounds too pat, like a straw to be grasped when one has nothing to say. To be referred to as a person "whose heart is in the right place" would make me feel something like a lump of dough, so dull that no one can find words to describe me. My hands would be tied. I could neither rise in self-defense nor beam with appreciative pride. As far as I am concerned, if a person can do no better than to tell me that "my heart is in the right place", let him remain silent.

Then there is the word which often springs up in any critical essay, used by gentle critics who want to say something kind in place of what they would be forced to say if they were truthful. The word is "adequate". I have caught myself using it too. What could be more damning or less complimentary than to say a musician's or actor's performance "was adequate". In that one kind word the critic side-steps the truth, drops a tolerant glance like a gracious dowager at a social tea, and leaves the performer completely out in the cold. To be blasted wholeheartedly for an unusual interpretation would at least give the performer the chance to defend his performance; to be singled out for several cutting remarks would even spur him to do better; and to be told outright that his performance was rank and impossible might even, in the long run, turn out to be a great favor for both the artistic firmament and the performer. But to simply state that a performer is adequate is to pass too lightly over something which has involved a great deal of time, of self-discipline and even moments of self-torture — in the same light manner as one would say "O dear, there's a fly" upon seeing a housefly climbing up one's window pane. To label an artistic performance as adequate, a man's intelligence as adequate, a man's capacity for work as adequate, is a graciously dropped crumb to mollify the recipient, and as unsatisfying to the recipient as if the critic had not seen him at all.

There is another compliment, which infers everything but what is spoken. It is the retort which says "O yes, he's nice" followed by a full stop, with no attempt at further elaboration. "Nice" used in a complimentary way, covers a multitude of sins. As far as I am concerned, there are hundreds of adjectives which would serve better and are preferable to "nice". But, quite apart from the proper or improper use of the word, in my experience, if a person responds to any enthusiastic comment on my part regarding another with "O yes, she's nice" followed by a full stop, I can be pretty sure that such a comment is made with definite mental reservations, all of them "not nice". It is a polite way of saying "I like Mary but . . ." And the important word is "but".

These tactful phrases which we all throw around — when one thinks about them — can be pretty damning and unkind.

AIKIDO

(Continued from Page One)

degrees without losing balance.

This basic requirement enables an "aiki" man to upset his opponent's balance without losing his at the instant of contact.

Also essential is the training on the art of falling. Unlike in judo, an aiki man does not fall flat on his back: instead he somersaults gracefully on one hand, elbow and shoulder.

When an aiki man falls, he does not actually fall, but he merely rolls once to get on his feet again.

Weapons Also Used

Although aikido appears to be most remarkable when demonstrated by a bare-handed expert, he can also employ any of the weapons — sword, spear, etc. — according to the same basic principles.

As in the cases of jiujitsu and karate, the origin of aikido cannot be traced to any particular master in any particular period. One theory has it, however, that it was a secret art handed down through generations of the Minamotos, one of the two major military clans of medieval Japan. Like a secret weapon of the modern age, the closely guarded art was taught only to members of the clan — a fact that accounts for its relative obscurity.

Even after the Meiji Restoration when feudalism was abolished, aikido remained little known publicly. During the war, the Japanese Army made it a compulsory training program for the much-feared military police. And Mr. Hirai was made aikido instructor.

Until the end of the war, Mr. Hirai was the only "Hanshi" (highest title for expert) of the Butokukai, a national organization for the promotion of Samurai arts.

Called by GHQ

After the war, on the basis of his "merit" of having been aikido instructor for the notorious kempei, Mr. Hirai was called by the Public Safety Section, GHQ, SCAP, to disclose his techniques. Subsequently GHQ officials formulated a system of self-defense and disarming assailants which is now being taught to New York police, according to Mr. Hirai.

Compared with other Japanese arts of self-defense, aikido is definitely the most superior. Judo, for instance, is an excellent form of physical exercise, but it is not designed to be practical.

A judo expert can use his skill only by first getting a hold on an opponent by the sleeve, lapel, etc. But when he faces an assailant with a knife, his usual approach amounts to asking for the worst because he leaves himself wide open.

Throwing Technique

One salient feature of aikido, in particular contrast to judo, is that it discourages "hold" techniques, the fine point being "to throw your opponent by letting him take a hold on you."

Karate is a highly lethal art of attack and defense, and its techniques are confined to hitting and kicking. A skilful aiki man can not only return a karate man effective blows but also throw him.

A judo expert, pitted against a boxer, usually manages to hurl his adversary after being slugged a few times. But this would not be the case with an aiki expert, who is generally far more agile. To him, a bout is finished at the instant the two come into each other's striking range.

Technically Mr. Shirai's studio is maintained by a club named Kurinkai, which admits into membership only persons of reliable character. The screening system appears highly advisable because the proficiency at a skill in an undisciplined person can be quite dangerous. (by Sarjiro Kogai in Nippon Times)

ひよいひよいと後退りに、牛若は、こんどは橋の上を西の方へ、一間ほど逃げた。

弁慶がなぜこんなに怒つているのか、牛若には合點がゆかないが、もつとからかつてやろうという氣が、ふつとおきた。それに、自分の修めてきた武術を、弁慶ほどの者を對手にして、と太刀を抜いた。

[illegible]の毎日を對手に、木太刀で稽古を續けてきた牛若にとつて、太刀を手にするのは始めてであつた。しかも、母からもらつてきた太刀、と思うと、牛若には勇氣がわいた。

「やあ」

かわされて四度目に打ち込んだ弁慶の太刀は、きらりと月光をなぎ、音を立てて欄板を切りそいだ。

弁慶は、眼を疑つた。

白い姿が、視界から見えなくなつている。

はつと思い、長刀を引きあげ、構えを直したとき、ははは、ときれいな笑い聲が橋の方から聞えた。

見ると、對手は、左手の欄干をうしろに、太刀をかざして、ゆらりと立つている。その被衣が、橋の下から吹き上げる夜風になびいて、月をあびた白い顔の半面が見えた。

それは、生きている人間というよりも、何かの精のように、現實ばなれのした美しさであつた。

「ううむ」

弁慶は、うなつた、

對手の手練が並々ならぬものだと、やつと氣がつき、ぞくりと背筋が冷たくなつた。

「おのれは魔物か」

だが、挫けるような弁慶ではない。

かえつて全身に闘志がみなぎり渡り、弁慶は、双の腕に力こぶを入れた。

「最早手加減はせぬぞ。眞二つにしてくれる」

長刀を右の肩のところに立て、こんどは油斷なく、少しずつ高足駄の歯を橋板に食い込ませながら、眞向から押し進んだ。

建設的意見を

梅月生

味元英男君の佐々木鐵城師に對する公開状が大なる反響を呼んで、最近の本紙『フォラム』らんは、この問題で獨占された形である。投稿は次から次へと集まつて、すでに發表した數氏のもののほか、まだ六名から來ている。一々發表すべきであるが、重複した意見もあるし、いつ果てるとも知れぬ『やりとり』では讀者も倦いて迷惑されることであろうから、次に未發表の分の要點だけを書き拔くことにする。

●木遥生——佛教徒ではない二世である。建設的な意見を持つ二世を避けるようでは社會の進步は望まれない。說教をうのみにせず理解と批判をもつて聽くという態度こそ立派であり、二世の考えに行き過ぎや誤りがあるなれば、それを指摘し助言を與ゐることこそ指導者たる一世の良き態度でなければならぬ。

●日頃生（ビーシー州）——自己の意見と行動には責任を持ち自重せねばならぬ。……佐々木師の說法に不可解な點があるとて質問しているのだから、師に代つて答えようとする者は、具体的に說明を與え、オドシ文句で斥ぞけようとするのはいけない。

●三木山上生（コールデール）——偉い人の說教を批判したからとて知識の惡用になるなどとは肯えないであろう。專門的な知識を持つ者が、それを活用して日系人社會にも何等かの益を與ゐることは、彼等の、社會に對するつとめでもあると私は思っている。

●テーエム生（ビーシー州）——西暦五三八年に初めて佛教が日本に傳えられて來たこと位の知識しかない私が、味元氏の公開文を見たときには、ひらい青年もあるものだと感心しビックリした。きつと大波紋をまき起すことだろうと思つていたが、果してそうだつた。英男君のように、解らぬ所が聞きたい研究心に富んだ人こそ世の中に必要であり、正々堂々と討論してこそ世の中は生き〳〵し進步もしてくるものだ。鐵城師の御論說を紙上に見ることの近きを鶴首している。

●赤知山生（ビーシー州）——味元氏の意見には同感した。私たちは總移動、再定住と、あの頃のキリスト教會の牧師や神父、シスター、信徒達の親切に感激し感謝しているものだが、先祖傳來の佛教はすてきれずにいる。法然聖人や親らん聖人がごく〳〵貧乏人の家庭をでも訪問されたことを聞くにつけ、吾々のように田舍の山奧住いをしている者は昔懷しく思う。莫大な金をかけて敎會堂を建てることもよいし、深山な費用を使つて、遺骨を携え本山まいりをするのも、それが出來る人にはよい事であろうが、吾々のような者のためには遺骨を納めておける一定の場所——納骨堂を建ててくれるのもよい事である。皆さんはどう思われますか。

●エーエヌ生——佛教には門外漢であるが、問題を一つ〳〵取り上げて「佛教會の性格と使命」といつたようなことにつき論じた味元氏の文は意義あるものであり、決して無駄ではなかつたと思う。感情に走らず冷靜に論議して、互いに研究するという態度があくまで望ましい。

×

味元君が質疑を向けている肝腎の佐々木師から何分のお答えが得られないかぎり、議論は横道にそれる嫌いがあるので、佐々木師の寄書があれば勿論喜んで掲載するが、以上でこの問題に關する一般的な論戰は一應打切りとしたいと思う。讀者諸氏の意見を封ずるのでは決してない。具体的な個々の問題について更に、自由で健康な、論究をつづけ、それを通して建設的なる意見を盛り立てて行き、何事かを社會に寄與したいのが本紙の願いである。

フォラム 紙上討論

如何に導くか

カムループス 一讀者

私は、同鄉生氏も味元青年も全く未知の者ですが、兩者の文章を讀んで感じたままを。

惜しい事に問題の和尙の法話は聞きもらしたので、味元青年か、多數の聽講者のあつたことを知りつつも堂々と和尙の說敎を批判し公開なし得るところは、あながちねつ造文とも思えません。文章に激しすぎる個所があるのは認めますが、全文を通じて理路整然としていた。

それに對しての同鄉生氏の意見は一口言えば『若僧のくせに何を生意氣な』と言いたいところ。或は同氏の謂ゆる『見床しい』ところの御子息なり青年なれば、假りに或る意見があつたとしても、何も發言せぬか、又は同氏としては許しもしないであろうことが窺われて遺憾ながら甚だしい時代錯誤の感に打たれたことです。

『町內で知らぬはオヤヂ（亭主）ばかりなり』の笑えぬナンセンスの主人公にならぬよう、獨善的、舊思想の固執は、引いては社會から、家庭の子女からも敬遠され、寂しい孤立を自から招く事になるでしょう。現今、日本人社會の一、二世間のアツレキの大半も、この思想の食い違いの抑壓からではないかと思われます。

その昔彼の神聖にして侵し得ざりし皇室事項さえ兎角の批判が許されて居る日本の現狀、ましてやデモクラシーを標ぼうして居るカナダに居住し前途ある青年子女の育成に携わる吾々が渡航當時の概念をいつまでも固持してはなりません。

同鄉のよしみで、和尙の家系略歷を並べ『この高僧の書に向いて淺學の若者が何故の文句か』では、現今の若人がどうして納得し得るでしよう。カナダの最高學府を秀れた成績で終えた日系青年は數多くありましよう然し和尙の望まれし東洋文化の交流或いは思想的文化の擴張を當國に欲するならば、同青年の如く特に日英の文學に通じ、その上社會學を專攻せしと聞く人士を正しく導いてこそ達し得るのではなかろうか。

人格の奥行とは長上の前では自己の意見や質疑も披瀝せずにしまつておくことか。これまでの机上の學問をまさに實生活に向つて活用せんとする矢先き、親御まで引合に出しての人身攻擊では反ばつ心をこそそそれ、決して若人の善導には役立たないでしよう。若芽はすなおに伸びのびとはぐくみ育て、決して社會に對し長上に對し反感、反對の念を抱かさぬよう、同青年に反省を促すなれば、何れの個所が間違つて居るか、懇切に敎え導いてこそ、若氣の行き過ぎであつたかと反省の念も起さし得るでしよう。

終りに一言。同鄉生氏はすでに公開文を故國に送達されたとか。故國の和尙は如何に此の青年に、いわゆる佛教を基とした東洋文化の實踐を納得さし得て、實社會に於て有意義に貢獻さし得るか。——それは吾々も大いなる期待を以て居るものであります。

批判のないところに社會進步はない

井手小四郎

味元氏に。

君の論文を讀み、私は大變感激に打たれた。というのは二世諸君の中には、必らず勝れた進步的な人達があることを豫期し待望していたのであるが、君の論文を讀み、その實證を得、私はその喜びに打たれている譯である。

君の論文は佐々木師に對する公開文ではあるが、吾々一般在加日系人に深い示唆を與えるものと思つている。

君の如き社會科學の學徒であれば、生きた現代の社會相を批判し解剖することは、君の專門の社會的義務であり特權でもある。それを愼しく藏つて置けというのは、恰度、それは逆な見方ではないか。藏つて置く爲めの學問なら象牙の塔に立てこもらねばならぬ。現在では、政治にしろ、經濟にしろ、あらゆる科學が人生、即ち吾々一般大衆の社會生活に何らの關係も關連もないものとすれば、いわゆるそれこそ死學問であろう。そんなことは、只今では常識過ぎる常識であるにも係らずその學問をそつと藏つて置き給え等という人があるとすれば、私は、その人の頭に頸をかしげねばならぬ。

閑話休題。君の此の度の論文は、非常に困難を伴う仕事である。その事は、私が說明するまでもなく、君ら百も承知されていることと思う。

併し、世の中は盲目ばかりではない。見るものは見るであろうし、時節が敎えてもくれる。

吾々、老いぼれ一世を啓發するためにも、今後とも君の奮闘を希う次第である。

陪審員に日本から辯護士

嚴選された十六名が北京へ「米人スパイ」裁判に

【香港發】ハマーショルド國連事務總長がわざわざ北京に赴き周恩來首相と數度にわたつて會談、十一名の米空軍人の釋放方について要請したが、まだ釋放されずにいる折柄、中共ではこの十一名に對する軍事裁判に東洋の非共產國、すなわち日本から十六名の辯護士を裁判に招き、判決を下すことになつているという。香港發電によると十一名の米空軍人の犯罪に判決を下す軍事裁判に「法律的專門家」として非共產國の日本から十六名、九名のヴェットナム人、一名の朝鮮人辯護士を陪審員として中共が招き目下香港經由北京に赴く途上にある。日本人辯護士十六名はか非共產國の法律專門家は中共より、特に指名された者たちで、政治的色彩よりむしろ感情的に東洋問題に西部國家が干渉することを嫌つている人たちを選んだものであるとされ、北京における十一名の裁判は中共人にとつて「見物」であるとその成行が注視されている。

ソ連外交

方針は變らず

【ロンドン發】當地で傍受したモスクワよりの放送によると、ソ連は西部國家と共存共榮を願つており、ソ連の外交方針は不變である。ブルガーニン首相が行つた演說は西部國家、とくに米國によつて誤解されているが、これは米國が自己の侵略行爲をかばうためであるとしている。一方、共產黨第一書記クルシチェフとインタビューを許された米人辯護士マーシャル・マクダフイ氏はその內容を發表しているが、ソ連は米人のソ連邦訪問をウエルカムし、旅券査證を拒否したようなことはないと語つたといつている。

舌戰は白熱化!!

婦人廿三とも千五十六立候補

衆議院選擧に勢揃千五十六名の立候補者は投票日前日の二十六日まで二週間の後半戰に突入すると時事通信は次の如く報じている

▽衆議院選擧戰の競爭率は前回投票時の二•二(倍 千二十七名)より上回る二•二

した六倍になり、連呼の禁止で各地とも前回に比し著しく靜かな選擧風景をみせているものの立會演說會の開始により、立候補者との舌戰はいまや最潮の一路をたどつている

△これまでの立候補者數をみると民主黨が屆出開始早々から公認候補者を超えすむしろ候補者の亂立を引きしめ、高齢の當選を期している。このような情勢下に鳩山民主黨總裁はすでに重點的な全國遊說を終えたのに反し、緒方自由黨總裁は北陸、信越など各地を投票寸前まで遊說行脚をつづける

▽一方、鈴木、河上兩社委員長は十五日兩黨首會談を行い、保守打倒、憲法護持の氣勢をあげているなど各黨とも黨首を陣頭に決戰の様相はようやく白熱化して來ている。

▽先週末現在黨派別立候補者數は次の通り。

民主(二八四)自由(二四八)左社(一二二)右社(一三二)勞農(一七)共產(九九)諸派(三四)無所屬(一三一)計一〇五六(うち婦人二三)

首席は杉原氏に

日ソ交涉はモスクワの公算大

【東京時事通信】鳩山首相は先週末重光外相と日ソ國交正常化問題の推進方策について協議したが、この會談で日ソ交涉の首席全權に杉原荒太氏(民主黨政調副會長)を推すことに意見の一致をみたようである。

鳩山首相談=重光外相との會談では全權にどういう風にやつて貰うのかということまで完全に意見の一致をみた。全權は正式決定といえるまでは行つていないが話合いのうちにきまつたようなものだ。しかしまだ會談の場合もきまつていないので全權の名前を發表するのは早すぎる。

なお鳩山首相は日ソ國交々涉の場所について、ニュヨークが正式に拒否されたときはソ連の希望する東京とモスクワのうち客觀情勢からモスクワの公算大と考えてよかろうと語つている。

カナダ弗に關心

對加投資に米國が手加減施す

【ニューヨーク時事通信】日本側爲替銀行筋によると現在ニューヨーク爲替市場ではカナダ・ドルの今後の動きに最も大きな關心を寄せているそうである。最近のカナダ弗相場は一〇〇弗について一〇三米弗臺で、いぜんとして米弗に對しプレミアムをつけているが、氣配は軟化氣味にある。その原因としては最近米國政府が高金利政策に轉換してきたことがあげられている。たとえば三ヵ月物の短期財務省證券の金利は昨年末には年一分以下まで引下げられていたが、現在では一分一厘にまで引上げられており、また長期國債では來る三月十五日に期限到來の總計廿六億弗に上る四十年物の借替金利を年三分と發表したなどはその著しい例である。年三分は現在の米國金融市場では一流事業會社に對する貸付金利となつており、政府がそれと同一金利での國債發表を決定したことはいかに強力に市中資金の吸收に乘り出してきたかを示すものである。つまりこの結果、もし民間資金が窮屈化してくれば現在好調を續けている米國の對加民間投資はそれだけ壓迫を生じたというわけである。したがつてこの米國政府の高金利政策は單にカナダに對する影響だけにとどまらず、米國の民間投資に期待をかけている英連邦、中南米の諸國にとつても重大關心の問題となるわけだが、昨年中景氣調整のためずつと低金利政策を採擇してきた米國政府が一轉してインフレ鎭壓のため高金利政策に轉換してきたことは基調問題を契機に諸物價が高騰氣配にある折柄、經濟界の大きな問題となつている。

『天皇は象徵』

小、中學で强調

【東京發】小、中學校で道德敎育をこれまでより强化し地理、歷史を系統的に敎育し、新しい社會科敎育を今春四月の新學年から實施されることになつているが、文部省では小、中學校社會科の學習指導要領改正案を大臣談の形で發表した。この改正點は二十三日に開かれる全國都道府縣敎育委員長會議において說明され、新學年度から實施されるがこの改正社會科の內容でこれまでと異なる點の中には特に人間の心の美しさ、生命の尊さ、個人の生活態度の尊重、自然への美しさに目をむけるようにしてあるが、それらの中には、天皇の地位について、憲法にある「象徵」たる地位を明らかにして、その認識を深めさせることに努力している。

ソ連「カブキ」を招く

國賓待遇で二十日間

【東京通信】日本のカブキを紹介するため猿之助一座を國賓待遇でソ連へ招きたいという話が、元駐日ソ連代表部からこのほど松尾興業にもたらされた。同興業の櫻井淸氏は「政府のオーケーさえあれば五月には實現すると思う」といつている

ソ連側の條件は、

一、もし日本政府が許可するならば、モスクワ、レニングラード兩都市に各十日間公演してほしい。

一、カブキ一座は猿之助を中心にした一座を希望し、國賓待遇とする。

一、幸いにしてこのカブキ招待が實現すれば、ソ連の一流舞踊家、聲樂家を交換に送る、ということになつている。

放送スト回避さる

シービーシー放送局の技術從業者のスト危機は數度の折衝ののちオタワ政府當局が使用人側の增賃要求を容れた結果ストは先週末回避された。この交涉によつて從業者は週平均三弗三十仙のペイ增しとなり、この增賃スケールは昨年八月一日にさかのぼつて適用されるのでバック・ペイ百弗ないし二百弗もうけることになつた。協約は二ヵ年、一九五六年八月一日まで有效。シービーシー放送協會ではあくまで「現狀維持」の立場を守り、ストになれば狩り集めの臨時技術者でラジオおよびテレヴィ放送を續ける計畫であつたのが明るみに出され、大々的に報道されて官營のシービーシーの下劣なる行爲として〝ゴウゴウ〟たる非難の來るのを豫期、突如土曜午後五時前になつてすべてオーケーになつたものだが、このニュースはシービーシーによつて特種放送された。

庭園業組合

二十七日創立總會を開催

トロントには多數の日系ガーデナーがあり重要なる職業の一つとなつているが、同業者同志の親和と技術の研究向上をはかるために、會を作りたいという話があつたのがその機運が熟して愈々來る二月二十七日(日)午后一時半からスパダイナ街一一五の壽會社交室に於て「トロント日系造園業組合」の創立總會を開くことになり雇主も從業者も日系ガーデナーすべてが出席するよう希望されている。此の問題は去る一九五三年一月のトロント市議一世部總會で發議され、同年の春ガーデナーの懇談會が開かれて先ず研究會を組織することになつていたが、當時はまだ其の機が十分に熟せず延々になつていたもので先週日系ガーデナー有志が會合して相談の結果、興實報告の通り急に組合創立ノ總會を開くまでに進んだものである。

Mt. Fuji Filming Begins For 'House of Bamboo'

TOKYO.— Shooting on the 20th Century Fox film "House of Bamboo" began last Wednesday near Yoshida at the base of Fuji-yama.

A delay in the filming threatened when transport unions protested an agreement between the U.S. movie concern and the Fuji Sanroku Railway company to close a three-mile stretch of the line for scene use and to carry passengers across the stretch by bus instead.

"House of Bamboo" stars Robert Ryan, Shirley Yamaguchi and Sessue Hayakawa.

Alberta Hoop Niseis Drop Ninth, 41-32 To Lethbridge AC

By HARRY KIMURA

LETHBRIDGE. — With only one league game remaining in the Lethbridge City Men's Basketball League, the JCCA Niseis dropped another game as the youthful fourth-place Lethbridge Athletic Club turned on the heat to wallop the sixth-place five 41-32. The loss was Niseis' ninth setback against 4 wins in league play.

Rookie forward Dick Kanashiro turned in the sharpest effort of the red, white and black warriors, tumbling in a fine 13 points. George Saito was next in line with nine.

Sharp-shooting Al Duncombe and lanky Herman Reimer did all the damage for the winners, turning in a fine 16-point performances.

Athletics ran away with the first half, as they pumped home 23 points while Niseis scraped together a measly 7.

Niseis caught fire against the AC's second-stringers to roll over their foes 25-18 in the last half.

KIMURA'S KORNER: Only six players managed to brave the heaviest snowfall of the year as high-scoring Sam and Min Koyata, Trick Oikawa, and Jack Maruyama failed to turn up . . . Dick Kanashiro unloaded his best offensive display so far this year . . . For the second year in a row, Niseis will finish in sixth place and out of the playoffs.

THL Nisei Flyers Drop Fourth Straight

North End defeated Nisei Flyers 3-1 in Sunday action in the intermediate series Toronto Hockey League. Wallowing in the throes of a losing streak, Ron Pieteo's crew have dropped four in a row, but only five losses all year.

Kamitakahara Loses First Bout of Season

U of T's 123-lb Walter Kamitakahara felt the mats with his back for the first time this year as Rochester Tech's powerhouse crew of grapplers defeated Varsity 26-11 in an Athletic Night exhibition last Saturday at Hart House.

The Nisei freshman, who became Ontario novice champ in his weight class the previous week, was pinned by Keeler at 2:34 of the third period.

Steveston Trips Varsity

By ABRAHAM OHASHI

VANCOUVER. — Up-and-coming Steveston Jewellery pulled a big upset on Feb. 6 at the UBC Women's gym, tumbling the power-packed Varsity quintet 22-11 in the lowest scoring game in the postwar hoop scene here. High-scoring Don Matsuba was kept closely in check as the Steveston youngsters played their best game to date.

Vancouver Teeners walloped defending champions Tad's Sporting Goods 44-27 in the seconds contest, behind the sparkling performance of Ken Homma.

After 9 weeks of action, Teeners are deadlocked for the loop lead with Varsity, each having six wins, but Teeners have a game in hand. Tad's now have 3 wins and 4 losses, followed by Steveston with a 2-5 record. Maria Stellites rest in the cellar, having only one win in seven games.

The top three teams will play off next month.

Flyers Press Hard, but Lose to River

League-leaders River Snack Bar had to go all out before emerging with a 6-4 edge over the fighting Nisei Flyers last Sunday. Though they never fell behind after taking the lead midway in the initial period, the Snack Bar men were constantly pestered by Mas Nakao's third place squad.

Jim McIlwaine led the Nisei again, potting two goals, his 13th and 14th, while Major Fukumoto counted his 13th score.

Jack Hawkshaw paced the winners, opening the Snack Bar scoring with two first period goals. With Hawkshaw on a breakaway, one of the Nisei defensemen threw his stick in an effort to stop the puck, and the referee promptly awarded the attackers with their first goal. Flyers sent out six forwards in the last minute of play, with the Snack Bars ahead, 5-4, and Hawkshaw completed his hat trick on an open net. Doug Gray counted two for the winners.

First Period

1—Flyers, McIlwaine (13th) (R. Tanaka, Molnar) 1:43
2—River, Hawkshaw 6:46
3—River, Hawkshaw 13:02

Penalties: Hawkshaw (tripping, 23:21.

Second Period

4—Flyers, Roy Tanaka (3rd) (Molnar, McIlwaine) 2:59
5—River, McKenzie (Mackie) 3:02
6—River, Gray (Hawkshaw, Phillips) 13:00
7—Flyers, Fukumoto (13th) (Kameoka) 13:15
8—River, Gray 15:31
9—Flyers, McIlwaine (14th) (Molnar) 17:30
10—River, Hawkshaw 19:59

Penalties: Joe Togawa (tripping), 13:59; Jack Tanaka (slashing), 17:03; Cleland (fighting, 5 min.), 17:03.

Willison Motors and Dependable Caterers won their games, so that Flyers are now 6 points behind Willisons and one ahead of the Caterers. Dependables will attempt to dislodge the Nisei from third place in their game next Sunday, 3:15 at East York Arena.

BADMINTON NEWS

A'S LOSE 14-10

All Nations As dropped the first of their two-game total point semi-final series with Christ Church, 14-10 last Thursday, and will now have to face the Herculean task of overcoming a 4-game margin at the CC home courts on Friday, Feb. 25.

Once again, the results showed the winning ladies instrumental in making the decision. The Christ Church ladies took six straight without reply from the Niseis lasses, although Lucy Takatsu and Mary Ebata almost took a game. Mary and Lucy lost the final point after a 17-all deuce, and couldn't recover for the second set, going down 15-11.

In men's doubles, Nisei champs the Miura brothers were outpointed, surprisingly enough, by the second CC duo in two sets. Roy Shin-Tosh Kitagawa won two as did John Tanaka-Matt Matsui.

In the crucial mixed doubles, the best the Nisei could do was a tie at 6 apiece. Kay Ogaki-Tad Miura were the only two-straight game winners.

The Nisei team must reverse the 14-10 count on the CC courts to tie the series. It's quite a tall order, and will probably depend on a couple of wins in ladies' doubles plus a sweep of the six men's doubles matches.

ALSO THIS . . .

Men's doubles in the T. & D. B. tournament will commence tonight at the Boulevard Club. Singles events opened the tourney on Monday eve, and the meet is slated for conclusion Sunday.

This Saturday, the YMHA squad will come to the Trinity courts for a return engagement, starting at 7:30 p.m. All Nations took the initial interclub matches 24-8 on Feb. 6.

The Granite Club Invitation tourney comes up during the week of Mar. 7. This will be the last of the big tourneys for this year. The final meet will be the Interchurch tournament in April.

Clubs are advised to stand by for short notice on the opening of the Nisei league, which may be this week.
